Licensed Clinician, The Steven A. Cohen Military Family Clinic at VVSD

Description

PURSUE YOUR PASSION, Not Just another Job!

The Steven A. Cohen Military Family Clinic at Veterans Village of San Diego is looking for employees who are passionate about serving all veterans and their families. Changing the life of a vet takes a whole lot of work. It also takes dedication and commitment to our motto: Leave No One Behind. But the rewards are out of this world! We work hard, but we also enjoy having fun together. If you wish to be a part of this team and are ready to work for a cause, not just a paycheck, then The Steven A. Cohen Military Family Clinic at Veterans Village of San Diego is the place to start!

We are looking for a dynamic individual to fill the role of **Licensed Clinician**. The **Licensed Clinician** will provide evidence-based treatment to active duty service members, veterans, particularly those who served in the Iraq and Afghanistan wars, and their families. This position is based in a face paced clinic and requires 65% utilization. The **Licensed Clinician** will have training Cognitive Behavioral Therapy (CBT) and should be skilled at offering treatment in a measurement-based, time-limited treatment environment. Qualified candidates will be proficient in providing individual, couples, and family therapy, with an emphasis on delivering evidence-based care. Certification or documented proficiency in one or more in one or more of the following EBPs: PE, CBT, CBT-I and CPT are required at time of hire or within a year of employment. Familiarity with Electronic Health Records preferred.

If you are committed to achieving excellent patient outcomes, this is the position for you!

Essential Duties and Responsibilities

- Provide evidence-based treatment and assessment for veterans and their families.
- Performs and documents patient's screenings, psychosocial assessments, and progress and referral information. Conduct clinical intake assessments on veterans and family members as needed. Provide individual, couples, and family psychotherapy to patients, with a focus on delivering evidence-based treatments.
- Collaborates and coordinates with the caregiver, physician, director, case management and all other disciplines to provide the best care to patients as needed.
- Attend weekly clinical, supervision, and administrative meetings.
- Provide services via telehealth platform, as required.
- Participates in quarterly peer reviews
- Maintains compliance with timely documentation in Medical Record System
- Complies with CARF standards throughout client care and documentation
- Perform other duties as required.
