## Intake Coordinator, VRC-DMC

### Description

Veterans Village of San Diego is looking for employees who are passionate about serving all veterans. Changing the life of a vet takes a whole lot of work. It also takes dedication and commitment to our motto: Leave No One Behind. But the rewards are out of this world! We work hard, but we also enjoy having fun together. If you wish to be a part of this team and are ready to work for a cause, not just a paycheck, then VVSD is the place to start!

We have a dynamic opening for an **Intake Coordinator, VRC-DMC**. The Intake Coordinator, is the DMC's Program's primary contact with applicants and referral sources the Intake Coordinator ensures everyone is treated with dignity and respect. Throughout the intake process, the Intake Coordinator is tasked with specific responsibilities that meet Drug Medi-Cal funding and contractual requirements and program goals. By maintaining high standards of care, the Intake Coordinator facilitates the intake process, reviews forms, beneficiary handbook, grievance and appeal policy and process, ensures all components of the intake process have been completed and successfully transfers the new resident to an assigned case manager. The Intake Coordinator also conducts outreach to various community-based organizations to discuss referrals and attends appropriate community-based and program-based meetings.

If you are a compassionate, and committed to successful outcomes, this is the position for you!

### Responsibilities

- Meet with prospective clients to review applications, conduct initial assessments, formulate a recommendation to the Program Director, make referrals to other agencies and facilitate warm hand-offs when applicable; verify funding sources, (i.e., Medi-Cal, Grant per diem – GPT)
- Formulate a recommendation for either acceptance to the program or reasons to refer the client elsewhere and accurately track and maintain daily client count reports.
- Attend weekly intake review meetings; staff prospective clients as needed to ensure clients are admitted in a timely fashion.
- Communicate with prospective clients and referral sources on the status of an application.
- Establish and maintain both an intake schedule and if needed, a waiting list for prospective clients.
- Ensure resident's bags/belongings are inspected and medications are transferred to the Nurse or Pharmacy Tech.
- Coordinate treatment with the assigned case manager, and conduct an initial tour with the client to introduce her/him to the program and campus.
- Photocopy necessary Medi-Cal cards, eligibility verification forms, identification documentation to include photo id and DD214, etc.
- Perform crisis intervention and other counseling duties as needed.
- Utilize knowledge of counseling modalities to match the appropriate
