Registered Nurse

Description

PURSUE YOUR PASSION, Not Just another Job!

Veterans Village is looking for employees who want to make a difference in the lives of our veterans. They served us, now it's our turn to serve them! And we've been doing this for almost 40 years!

The **Registered Nurse** work with residents who suffer from chronic mental illness and substance abuse problems and know signs of crisis, possible relapse, and stages of motivation and recovery. If you are flexible, resourceful, and dedicated to achieving our mission in assisting our local veterans, this is the position for you!

Responsibilities

- Demonstrates familiarity with 12-step approach or is willing to self-educate re: addiction as an illness, MAT, combat-related PTSD, and other topics related to substance abuse.
- Provides training to staff in handling medications
- Provide education to residents regarding medications, and chronic medical and mental health conditions.
- Notifies case managers, clinical staff, and residents about significant changes in residents' medications or health.
- Provides education-related classes and groups including nutrition, medications, healthy lifestyles, and effects of poor health practices.
- Works with the VA, Family health Centers of San Diego and other public health and agencies, case managers, and others regarding residents' health concerns as needed.
- Assists with medication storage and proper disposal of meds.
- Familiarity with chronic illnesses and infectious diseases such as COPD, heart disease, diabetes, SUD, mental health diagnoses, HIV, AIDS, HEPATITIS, and TB treatment and education.
- Assists contract physician with medical screening of new admissions
- Monitors, coordinates with case managers, schedules and documents that all new residents have documentation of Tb testing within agency's required timeframe, as well as COVID 19 for new residents and other residents upon request, for those who have had close-contact exposure with positive persons.
- Schedules all new residents for physical exam with contract physician if needed, within agency time frame, and maintains documentation
- Provides notification to case managers when clients do not show up for required Tb tests, COVID 19 tests and/or physical exams.
- Provides documentation of completed TB, COVID 19 and health exams to case managers for follow up and filing.
- Works with Family Health Center's health care case manager for referrals
