NOTICE OF PRIVACY PRACTICES

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

We are required by law to maintain the privacy and security of your protected health information (“PHI”) and to provide you with this Notice of Privacy Practices (“Notice”). We must abide by the terms of this Notice, and we must notify you if a breach of your unsecured PHI occurs. We can change the terms of this Notice, and such changes will apply to all information we have about you. The new Notice will be available upon request, in our office, and on our website.

Except for the specific purposes set forth below, we will use and disclose your PHI only with your written authorization (“Authorization”). It is your right to revoke such Authorization at any time by giving us written notice of your revocation.

Uses (Within the Provider) and Disclosures (Outside the Provider) Relating to Treatment, Payment, or Health Care Operations Do Not Require Your Written Consent. The Provider can use and disclose your PHI without your Authorization for the following reasons:

1. **For your treatment.** We can use and disclose your PHI to treat you, which may include disclosing your PHI to another health care professional. For example, if you are being treated by a physician or a psychiatrist, we can disclose your PHI to him or her to help coordinate your care, although our preference is for you to give us an Authorization to do so.
2. **To obtain payment for your treatment.** We can use and disclose your PHI to bill and collect payment for the treatment and services provided by the Provider to you. For example, we might send your PHI to your insurance company to get paid for the health care services that we have provided to you, although our preference is for you to give us an Authorization to do so.
3. **For health care operations.** We can use and disclose your PHI for purposes of conducting health care operations pertaining to the Provider, including contacting you when necessary. For example, we may need to disclose your PHI to our attorney to obtain advice about complying with applicable laws.

Certain Uses and Disclosures Require Your Authorization.

1. **Psychotherapy Notes.** We do not keep “psychotherapy notes” as that term is defined in 45 CFR § 164.501; rather, we keep a record of your treatment and you may request a copy of such record at any time, or you may request that the Provider prepares a summary of your treatment. There may be reasonable, cost-based fees involved with copying the record or preparing the summary.
2. **Marketing Purposes.** The Provider will not use or disclose your PHI for marketing purposes.
3. **Sale of PHI.** The Provider will not sell your PHI in the regular course of our business.

Certain Uses and Disclosures Do Not Require Your Authorization. Subject to certain limitations mandated by law, the Provider can use and disclose your PHI without your Authorization for the following reasons:

1. When disclosure is required by state or federal law, and the use or disclosure complies with and is limited to the relevant requirements of such law.
2. For public health activities, including reporting suspected child, elder, or dependent adult abuse, or preventing or reducing a serious threat to anyone’s health or safety.
3. For health oversight activities, including audits and investigations.
4. For judicial and administrative proceedings, including responding to a court or administrative order, although our preference is to obtain an Authorization from you before doing so.
5. For law enforcement purposes, including reporting crimes occurring on our premises.
6. To coroners or medical examiners, when such individuals are performing duties authorized by law.
7. For research purposes, including studying and comparing the mental health of patients who received one form of therapy versus those who received another form of therapy for the same condition.
8. Specialized government functions, including, ensuring the proper execution of military missions; protecting the President of the United States; conducting intelligence or counter-intelligence operations; or, helping to ensure the safety of those working within or housed in correctional institutions.

9. For workers' compensation purposes. Although our preference is to obtain an Authorization from you, we may provide your PHI in order to comply with workers' compensation laws.
10. Appointment reminders and health related benefits or services. We may use and disclose your PHI to contact you to remind you that you have an appointment with the Provider. We may also use and disclose your PHI to tell you about treatment alternatives, or other health care services or benefits that the Provider offers.

Certain Uses and Disclosures Require You to Have the Opportunity to Object

1. **Disclosures to family, friends, or others.** We may provide your PHI to a family member, friend, or other person that you indicate is involved in your care or the payment for your health care, unless you object in whole or in part. The opportunity to consent may be obtained retroactively in emergency situations.

YOUR RIGHTS REGARDING YOUR PHI You have the following rights with respect to your PHI:

1. **The Right to Request Limits on Uses and Disclosures of Your PHI.** You have the right to ask the Provider not to use or disclose certain PHI for treatment, payment, or health care operations purposes. We are not required to agree to your request, and may say "no" if we believe it would affect your health care.
2. **The Right to Request Restrictions for Out-of-Pocket Expenses Paid for In Full.** You have the right to request restrictions on disclosures of your PHI to health plans for payment or health care operations purposes if the PHI pertains solely to a health care item or a health care service that you have paid for out-of-pocket in full.
3. **The Right to Choose How We Send PHI to You.** You have the right to ask us to contact you in a specific way (for example, home or office phone) or to send mail to a different address, and we will agree to all reasonable requests.
4. **The Right to See and Get Copies of Your PHI.** Other than "psychotherapy notes," you have the right to get an electronic or paper copy of your medical record and other information that we have about you. We will provide you with a copy of your record, or a summary of it, if you agree to receive a summary, within 30 days of receiving your written request, and we may charge a reasonable, cost-based fee for doing so.
5. **The Right to Get a List of the Disclosures We Have Made.** You have the right to request a list of instances in which we have disclosed your PHI for purposes other than treatment, payment, or health care operations, or for which you

provided us with an Authorization. We will respond to your request for an accounting of disclosures within 60 days of receiving your request. The list we will give you will include disclosures made in the last seven years unless you request a shorter time. We will provide the list to you at no charge, but if you make more than one request in the same year, we will charge you a reasonable cost-based fee for each additional request.

6. **The Right to Correct or Update Your PHI.** If you believe that there is a mistake in your PHI, or that a piece of important information is missing from your PHI, you have the right to request that we correct the existing information or add the missing information. We may say “no” to your request, but we will tell you why in writing within 60 days of receiving your request.
7. **The Right to Get a Paper or Electronic Copy of this Notice.** You have the right get a paper copy of this Notice, and you have the right to get a copy of this notice by e-mail.
